## Experience

**FRONTEND DEVELOPER** 3 months

**GRRR Digital Agency**

During my internship at GRRR, I learned a lot while working in a team with other developers. Responsibilities: making flexible components, using React, Typescript and Wordpress Headless CMS.

**PASTRY CHEF** 2 years

**Willempie Bakery**

A little career break to explore my passions. Responsibilities: the entire process from start to final product. I also gained experience in leadership by guiding others through the baking process.

**GRAPHIC DESIGNER** 6 months

**Misteli**

Enjoyed working at a creative real estate agency. Responsibilities: shaping the brand identity, photo editing, designing brochures, and creating illustrations.

**GRAPHIC DESIGNER** 1 year

**Be Socialized**

A company where I gained valuable experience. Responsibilities: designing packaging, logos, and illustrations for diverse clients, as well as web design and infographics.

**GRAPHIC DESIGNER** 2.5 years

**Snoozebaby Amsterdam**

My first job as a graphic designer. Responsibilities: photo editing, designing brochures, lookbooks, packaging, logos and maintaining the website.
